## You are memberrific!

October is International Credit Union month and we want to reward members based on their years of membership. For deposits, add an extra .02% dividends, times years of membership, to any new money CD opened during October 1 -31 for a one year period. For loans, you'll receive .02% interest rate, times years of membership, off the current qualified loan rate for any new loan(s) funded from October 1 – October 31st. Stop in the week of October 17 – 21 to celebrate International Credit Union week with a special CD rate. Our popular 12 Month CD rate will be 1.10% APY. Terms and conditions apply

## From the President... Mike Tucker

To say it has been a long hot summer would be an understatement. I am sure we all are looking forward to a perfect fall. Let's hope that happens. West Virginia Central Credit Union can't assure a perfect fall, we are working hard to simplify your life so that you can enjoy whatever comes next. Here are some of the great things happening at your credit union!

- EMV Chip cards are now being issued at card expiration dates.
- Android Pay and Samsung Pay will be available in December for our members to use.
- Same Day ACH will allow our members to move money in a faster more convenient way.
- Beginning the first quarter of 2017, we will be instant issuing debit cards to members that have lost or have a damaged card.
- During the month of October, we will be recognizing our members for their years of membership with the credit union. Be sure to read about our Memberrific program on the first page of this newsletter. Let us give you a great rate as a way of saying thank you!
- During International Credit Union Week - October 17th – 21st - allow us to show you "The Authentic Difference". We will share with you what makes your credit union unique as we provide financial services to our members.

Over the last couple months, we have been busy working in our communities. Two projects to point out include a donation of \$23,000 to Children's Miracle Network (WVU Hospital) as well as providing school supplies to assist 400 teachers as they prepare to make a difference in the lives of their students.

One final thing that I would like to mention. Around the world there has been a serious increase in fraud and fraudulent attempts. To help your credit union to continue to successfully combat these attacks we recommend that you periodically verify your personal information with us. Please make sure we have your correct address, phone numbers, email addresses, correct joint owners, beneficiary information, etc. If you take a few minutes to verify that your accounts are setup as you want them then together we are better prepared to eliminate these type of threats.

We have a lot going on and as always we are working hard to improve the lives of our members. The officials and staff of WVCCU wish you a Happy Thanksgiving and a Merry Christmas!

A new,  
secure way to  

**Time to Celebrate!**

**Stuff the bus:** We were able to help 400 local teachers meet their classroom needs! This project would not have been possible without the continued support from the community and various local sponsors. We also randomly selected 2 schools to win \$1,000 each to help with their school year needs. The 2016 Stuff the Bus winners were Parkersburg South High School and Emerson Elementary.

**Color Me Fun Walk & Run:** We are proud to announce that we have donated \$23,000 to WV Children's Miracle Health Network. This event was held in June and we raised \$13,000. In August we were awarded the Miracle Match of \$10,000!
