

What kind of saver is your child? One who saves happily, or with a scowl? To find out, stop by one of our locations during National Credit Union Youth Month.

Every saver is unique, but most people who save regularly developed the habit early in life. Learning to delay gratification in order to save for long-term goals is a crucial life skill, and West Virginia Central Credit Union is committed to helping our youngest members develop.

That's why we at WV Central Credit Union create programs and services designed specifically for young people. One of those is our Youth Month program. Every member under the age of 13 who makes a deposit during the month of April will receive a small gift.

By helping your child give a hoot about saving now, you'll help them soar when they're older.
